Bulletin and Directive LIRC 97-02
Revised

DATE: FEBRUARY 7, 1997

**TO: ALL PROPERTY AND CASUALTY INSURANCE COMPANIES
MAKING RATE AND RULE FILINGS IN LOUISIANA**

RE: SUPPLEMENTAL FILING EXHIBIT FORMS

The purpose of this Bulletin and Directive is to inform insurers of supplemental filing exhibits to be submitted with selected rate filings. The LIRC directs that companies writing business in Louisiana provide experience in the format prescribed in this Bulletin and Directive, as part of the information required by La. R.S. 22:1407.

The LIRC directs that any company filing a rate revision and which has Louisiana earned premium exceeding \$6 million in aggregate over the most recent 3 calendar years include the attached exhibits F, G.1, and G.2 with their rate filing.

Experience shall be reported on the attached reporting exhibits by individual company for the filed line. If the filing specifies more than one company, also complete a consolidated company exhibit for all companies specified in the filing. If the company is part of a larger group writing the filed line in Louisiana and all companies in the group are not specified in the filing, complete a group exhibit.

These exhibits request Louisiana experience only. The data contained on these exhibits is the Louisiana contribution to the Insurance Expense Exhibit or Schedule P of the annual statement for the filed line of business.

These exhibits are mandatory for qualifying filings beginning April 1, 1997.

If there are any questions, contact Richard Piazza at (504) 342-4690.

Deputy Commissioner/LIRC
